

Repast for the deceased:

If you desire to have a repast for your loved one you may get in touch with the chairman of the repast committee to see if the community building is available. The chairman will then take care of the arrangements for the repast. The ladies who are volunteers of the community will supply the food and the Women's Club will supply the coffee, tea and paper products.

Please call and leave your name, phone number, name of the deceased, time when the hall is needed and approximate number of guests attending the repast and we will get back to you.
